**McFarland Committee - while this committee has existed since OBC received the endowment, it has been a standing committee; consisting of a Baptist Women's representative, a Baptist Men's representative and two OBC staff members. There have also been three additional people on the committee. We are making this a committee that will have one person rotating off each year. Beginning the church year, October 2018, one of the three non-standing members of the committee will rotate off.**
